

Gravely ES Music Activities

Hello Music Families

I miss you all dearly. I miss singing in my classroom. I miss doing dances like Kindergarten Reel, Alabama Gal and Virginia Reel. I miss Jamming on the xylophones, drums and buckets. Most of all I miss seeing your smiling faces. What do you miss????

It looks like Flipgrid will one of the main ways you can share your musical talents with me. I will be constantly adding new activities to try. You are never required to post your successes, but you know I will love it when you do! The main Gravely Music Flip Grid Link is [FlipGrid/GravelyMusic](https://flipgrid.com/GravelyMusic).

The current continuing activities from last week are below. You can perform these activities for me, your family or get creative and maybe do a concert for your stuffed animals!

- **Tell me something you miss about music class? flipgrid.com/758872bc**
- **Do you play an Instrument? Piano? Guitar? Drums? Recorder? Anything Else? Show me! flipgrid.com/29e9f5bc**
- **Sing me your favorite song or any song! flipgrid.com/d6bbaef9**
- **Learn a poem and turn it into a song by singing or rapping it. Poems can be any length. flipgrid.com/810d1d6f**

Here is something new to try.

- **Do you still remember how to keep a beat? “Steady Beat, Never Speeds Up, Never Slows Down, Stays The Same” Try saying this chant 3 or 4 times while keeping a steady beat with your body. Now listen to some of your favorite songs and keep the steady beat to those songs using creative movement. Show me if you dare! flipgrid.com/c1054e0c**

Reading music is an important part of being a musician! Do you have the Treble Staff memorized? The spaces spell the word FACE but the lines can be tricky. EGBDF. Trying creating a sentence to help like, “Every Good Boy

Does Fine” or “Elvis Guitar Broke Down Friday”. Then draw a picture that goes with your sentence. Email me your picture Andersma@pwcs.edu
