

Gravely ES Music Activities

Hello Music Families

Week 3 of online Teaching.

It looks like Flipgrid will be one of the main ways you can share your musical talents with me. I will be constantly adding new activities to try. You are never required to post your successes, but you know I will love it when you do! The main Gravely Music Flip Grid Link is [FlipGrid/GravelyMusic](https://flipgrid.com/GravelyMusic).

The continuing activities from last week are below. You can perform these activities for me, your family or get creative and maybe do a concert for your stuffed animals!

- Tell me something you miss about music class? flipgrid.com/758872bc
- Do you play an Instrument? Piano? Guitar? Drums? Recorder? Anything Else? Show me! flipgrid.com/29e9f5bc
- Sing me your favorite song or any song! flipgrid.com/d6bbaef9
- Learn a poem and turn it into a song by singing or rapping it. Poems can be any length. flipgrid.com/810d1d6f
- Do you still remember how to keep a beat? “Steady Beat, Never Speeds Up, Never Slows Down, Stays The Same” Try saying this chant 3 or 4 times while keeping a steady beat with your body. Now listen to some of your favorite songs and keep the steady beat to those songs using creative movement. Show me if you dare! flipgrid.com/c1054e0c
- How well do you know your music symbols? Check out this cut-and-paste activity to test your skills. - - - > [Music Symbols Cut Out](#)
- Don't forget to check out the music webpage for other links and activities [Gravely Music Page](#)
